13 December 1956

Chief, Management Staff

Chief, O&M Staff (DB/I Area)

Work Report, Week Ending 12 November 1956.

Contributions

1. Projects 6-55 and 6-56, Survey of Operations and Proposed Reorganization, Acquisitions Branch, CIA Library. Recommendations accepted by OCR for a workable, functional organization and for streamlining work flow, improving methods, layout, and systems, together with time and labor-saving equipment and devices to facilitate and expedite the receipt and dissemination of foreign books, papers, and periodicals to CIA components and other IAC intelligence producers. O&M Staff will assist in implementing the recommendations while completing study of remaining operations. [REDACTED]
2. Project 6-61, Management Survey of CIA Watch Office. Studied functions, organization, procedures and operations of CIA Watch Office and made 15 recommendations for improving definition of responsibilities and allocation of personnel, increasing efficiency and otherwise enhancing the Office's effectiveness in alerting the DB/I, DCI, the President, National Indications Center and other government agencies upon receipt of critical information bearing upon national security. Completed. [REDACTED]
3. Project 6-45, OCR Space Study. At the request of the DB/I, analyzed the extent of overcrowding in OCR and, in cooperation with the AD/CR and the Chief, Space, Maintenance & Facilities Branch, OL, evaluated seven methods for increasing OCR's space. The Biographic Register will receive 640 square feet of additional space at once and will save 676 square feet through improved records management practices (developed by Records Management Staff). If, after four months, the 11% increase is proven to be insufficient, an additional 25% can be obtained by renovation of the North Building attic. Completed. [REDACTED]
4. NS-1046, Request for Increase in T/O of OSI (ELINT Activities). Completed. [REDACTED]
5. NS-1120, T/O Change for Special Register, Shift in Workload of One Position. Completed. [REDACTED]

News

6. The Executive Officer, the CIA Librarian and his Deputy were highly complimentary relative to the work done in completion of the first phase of the above projects 6-55 and 6-56 and upon completion of the work in

Acquisitions Branch, the CIA Librarian and the Chief, Documents Branch requested that the OGI Staff immediately initiate similar surveys in the Main Library and the Documents Branch. While completing the second phase of the study we will assist in the installation of new equipment and procedures at the request of OCR.

7. The AD/CJ was highly complimentary concerning both results of our survey of the CIA Watch Office and the dispatch with which it was handled. The Executive Officer, OGI later reported that the meeting with the top executives of OGI was well received and the feeling was that the OGI Staff had done everything that ~~we~~ had hoped they would do.

8. [redacted] met with Colonel [redacted] of OGI at his request and advised on the feasibility of interchanging two positions between the Editorial and Publications Divisions. Since the exchange is consistent with plans discussed during the OGI reorganization, we recommended that they proceed.

9. The OGI Executive Officer advises that in view of its recent overall ceiling cut from 332 to 304, OGI is making plans for a reorganization. They will call upon us for assistance when their thoughts are crystallized.
10. Executive Officer, DD/P was contacted relative to the delay in coordination of the Management Staff study on deprocessing of separating Agency employees and he stated that the DD/P comments would definitely be forthcoming by the end of the month. The Office of Logistics has also promised to have its comments in by the end of the month.
11. The Executive Officer, OGI has informed us that the T/O request reducing T/O to ceiling for OGI is in the Office of the AD/CI for approval.
12. At the request of the Chief, Business Machines Service Staff, contacted an Intelligence Officer and three clericals attached to the Economic Intelligence Committee Secretariat relative to procedures in producing reports which might be adapted to use of the flexewriter.
